

PSC Nominations for the June 1, 2010 to May 31, 2011 Board

It seems as though this fiscal year has just started and we already have to begin thinking about nominating members to our next Board! Are you interested in becoming a PSC Board Member beginning June 1, 2010?

The PSC is looking for members interested in volunteering to serve on the 2010-2011 Board in the positions of President, Secretary, Treasurer, Vice President of Travel, Vice President of Program and Vice President of Publicity. Each year, a nominating committee is formed to consider and select members to hold these positions. Each year, the PSC seeks out members who can contribute their time and talents to engage and promote the club to the benefit of the membership. There are position descriptions available that can be forwarded to you to give you an idea of the responsibilities. The VP's are in charge of committees who share in the duties.

Even though the Nominating Committee will select those members it feels can best help the club, those not selected may still petition the Board (with the signatures of 10 members in good standing) to request that their names be added to the slate.

Debbie Zamberry, a past President and very involved in our club for many years, has been approved by the executive committee to be chairperson of the Nominating committee. Our By-laws require that the President, with the approval of the executive committee, appoints five members from the executive committee and standing committees, and five members from the general membership who have prior committee or volunteer experience to make up the Nominating committee.

I have selected, with the approval of the executive committee, varied and responsible members who represent our club and have agreed to serve in this capacity. The five appointments from the Executive committee and board are: Al Sieg, Jack Fritz, Claudia Straub, Bill Burgunder and Marlene Czarnecki. The five appointments from the general membership are: Marilyn Mauro, Jim (Polock) Kicinski, Marty Evanko, Michelle Zamberry and Linda (Francis) Gasparovic.

The PSC has been in existence for over 70 years because of the dedication of members who served in these positions. Please become a part of that legacy.
