Banff, located in the Canadian Rockies will blow you away with unmatched scenery. Glacial lakes and tall, jagged peaks create one of the most pristine wilderness settings in North America. The skiing is equally dramatic with steep bowls and gullies, wide-open snowfields and delightful glades. Explore the seemingly endless terrain at Lake Louise, experience the wide-open bowls of Sunshine Village, or get a taste of local flavor of the steep and deep at Banff Mount Norquay. Combined these three resorts offer over 7500 acres of excellent skiing with up to 3514' vertical drops. The towns of Banff and Lake Louise offer history and character with world-famous, castle-style hotels and more than 200 restaurants and bars.
