But the 2011/12 ski season promises to reach new heights, as the resort prepares to celebrate its 50th birthday. The resort will be celebrating all season long during the 2011/2012 winter season with special events, great deals and attractions that are perfect for the entire family.

With four huge peaks spanning 2,358 acres, Breckenridge has something for all abilities and interests. Every beginner and intermediate trail is groomed nightly so you can enjoy endless turns throughout your day. Or, ride North America's highest chairlift, the Imperial Express, up to the high alpine bowls for unforgettable views and steep slopes. If you're looking for terrain parks, Breckenridge has five—one for every skill level.

The Village Hotel is centrally located at the base of Breckenridge Ski Resort, just steps from historic Main Street and its many dining and shopping options.
