Crested Butte Ski Area tucked deep in the Elk Mountain range at 9,300' in west central Colorado is a historic Victorian mining town from the 19th century and has never lost that feel. Here you can escape to what the old West once was from Boot Hill to rowdy saloons to awesome mountain beauty. Crested Butte was once a thriving silver mining, smelting, railroad, and supply town. Home of extreme Winter-X games in the U.S, but, it is not just a resort for experts, having loads of beginner and intermediate runs, and a great ski school. These slopes cover 1,167 beautiful acres of excellent skiing with up to 2,775' lift served vertical drop, 121 trails (15% beginner, 44% intermediate, 10% advanced and 31% expert runs). The longest run is 2.6 miles. It is home to the Gold Link Terrain Park featuring a 55' wide by 18' high superpipe. Crested Butte is also blessed with an average annual snow fall of over 300". Cross country skiing is available from the Nordic center in town which boasts over 50 km of trails. Snowmobile tours, sleigh ride dinners, and dog sledding are few of other available activities. After skiing, stay at the resort base or head into town about 2 miles away on the free shuttle service. Dining options run from sushi to sandwiches and everything in between. The town of Crested Butte only two miles away offers plenty of reasons to venture out: galleries, museums and first-rate restaurants. Free public transportation is available from our condo and the ski base area to town every 30 minutes. <http://www.skicb.com> or <http://www.cbnordic.org>.
