Well Myrtle is over and it's back to the grind so why not grab those great pictures and share them with your friends that didn't get to go? On second thought bring someone that doesn't belong and show them what a great time everyone has when they belong to the club. This great establishment has graciously extended their happy hour to 8:00 p.m. to help accommodate our members that can't get their by 7:00 p.m. We will enjoy discounted drinks and special priced appetizers. Meet everyone out on the covered deck and get to enjoy their regulation outdoor sand volleyball court and two horseshoe pits. So come out and enjoy this beautiful outdoor resort setting with your club friends and you never know you might just meet a new best friend.
