The title gives you a hint of this joyful, spirited, high-energy, hilarious romp through Christmases past, present and future. Rudolph meets fruitcake, meets Jacob Marley, meets A Miracle on 34th Street. All in about 90 minutes. With three actors, a cup of spiked egg nog and a partridge in a pear tree. Great fun!

Play*Dessert*Coffee Package -- Dessert at the Lake is yummy! When we arrive (at least one-half hour before curtain, please), each person will be asked to order one of four desserts from the café menu (currently, chocolate mousse cake/cheesecake/apple pie/hot fudge sundae) and the desserts will be delivered at intermission. Tax and gratuity are included.
