The road to the Kentucky Derby is long but not for PSC! We are hosting a Kentucky Derby style night at the races. Mark your calendar for a night of wagering on prerecorded horse races, drinks, food and most of all fun! Bets are paid to the winner but if you buy a horse you double your chance to win. The night of the event you'll be able to 'take chances' on individual horses. If your pick is a winner ... so are you! Bets are paid on win only and odds are determined by the amount of winners in each race. Don't forget to wear your Derby Hats and attire!

You can buy a horse for only \$10 – the horse name you select and your ownership details will appear in the program with its associated number.

Example; Race 2 – Horse #5 – Thunder (horse) – Janie Smith (owner) Become a horse owner; pick your horse's name and tag line (i.e. Hugs the rail, looking for a shortcut), jockey's name, and your name will be announced at post time, in the program, and on the scoreboard.

Use this [coupon](#) to purchase up to five (5) horses.
