Our last social for this fiscal year also acts as our annual business and election meeting. Nominations were announced and any additional nominations from the floor were taken at the February 2<sup>nd</sup> social. According to our by-laws, all nominees running unopposed for their respective offices will be elected by acclamation and a secret ballot will be held for any office(s) being sought by multiple qualified nominees.

Come on out to catch up with your PSC friends. It's important to join ranks, come out to vote and to support and encourage our board members who volunteer much of their time for the success of our club. It's also a time to give your suggestions of what activities you'd like to see be a part of the club as well as letting the board members know what you really enjoy about the club. Your feedback is very important to us!
