After a hard day at work, why not relax with a glass of wine, enjoy the summer evening, and perhaps dine on rustic Italian cuisine. Nestled within the beautiful rolling hills of Western Pennsylvania, Narcisi Winery will draw you back to a setting reminiscent of a Tuscan villa, where time and worries dissolve into the countryside.

Enjoy a complementary 3 sample tasting of any of the available wines and then select what you like and buy a glass (or a bottle) and go sit down in the picnic area or patio (*food purchase required*), sip away, and enjoy. There is no cover charge.
