Experience Pittsburgh 's version of the "Old West" as you take the reins of your very own steed through 70 plus acres of picturesque terrain. Rolling Hills Ranch has designed an environment that allows horseback riding to be as natural as possible, as you steer your horse and have the freedom to explore their large variety of trails and fields. From the urbanized beginner to the experienced cowboy, they have the horses, trails, and staff to ensure that you have a safe and memorable experience while you are... **"INCREASING YOUR HORSEPOWER!"**

PLEASE NOTE: NO SANDALS PERMITTED – must have closed toed shoes (heeled shoes are preferred over tennis shoes). Also, a [General Release Form](#) will need to be signed as well as a [Helmet Waiver](#) if you chose not to wear a safety helmet. A bike helmet can be worn if you prefer to bring your own.
