Remember those Summer Sunday dances at Sandcastle? Well, they've moved to a new venue this year ~ The Boston Waterfront! Nestled in quiet woods along the Yough River, not far from busy neighborhoods and well-traveled highways is this area's best-kept secret ~ good food, lively entertainment and welcoming atmosphere with a spectacular view of the River. Come early for the Pig Roast & Lamb Barbeque which starts with live bands @ 3:00 pm on the expansive outside deck (make reservations!!!).....and then stay to dance the night away to those good old tunes of the 50's, 60's and 70's. This event will be the perfect way to unwind on a nice summer evening before the hub-bub of the fall season starts again.
