This unique restaurant sits next to Malorca Spanish restaurant. You will be enchanted with the small delicious appetizers and the small meals at a wonderful price. **The idea here is that everyone orders a couple different plates of tapas and passes them around. That way everyone gets to taste a nice variety of these tasty snacks. This will be a fun dining experience.** The theme of these dinners is to invite a friend to join you and meet and greet with great conversations. Please RSVP to Bill so he can give the restaurant a head count. Valet parking is available Monday thru Saturday in the lot next to Mallorca.

Nobody knows the origin of these tasty morsels. However, the "Etymology" section [here](#) offers several explanations.
