Get your groove on and come out to dance at Jergel's Rhythm Grille, a live music, entertainment venue, and restaurant just north of Pittsburgh in Warrendale. This two-story, 17,000 square foot facility is packed with pro-sound audio and the best in video capabilities. Featuring 23 high-definition television monitors and two 14-foot projection monitors, you won't miss a beat when you're in their house! If you haven't been there yet, you've just got to come and experience the atmosphere. Start early with dinner (food's great & reasonably priced) and to get a good seat ~ beware as the dance floor gets packed (very large dance floor) and seats are hard to find once the music starts playing!

Night Life (www.dancetonightlife.com), a high-energy dance band consisting of 5 talented musicians and singers, each a star in their own right, will be the featured group that evening. Night Life's one of the most popular dance bands in Pittsburgh, playing at venues like the Baja Bar & Grille (Fox Chapel Yacht Club), Cefalo's, The Baltimore House, The Grove, The Meadows and others. Night Life's performances feature classic dance hits from the past to the present ("Play That Funky Music", "Car Wash", Motown Medley, plus dozens of current songs) . To get a flavor of their music, check out this video on YouTube (<http://www.youtube.com/watch?v=cauoQAXSma> – from 2010, so a bit outdated).

Please call Marilyn if you're coming ~ so she'll know who to be on the lookout for. We'll get an area for us PSC folks to hang out!
