Want to do something different? How about spending a Sunday morning enjoying a light breakfast and then enjoying your favorite classic film back on the silver screen.

*Rick Blaine, who owns a nightclub in Casablanca, discovers his old flame Lisa is in town with her husband, Victor Laszlo. Laszlo is a Resistance leader, and with Germans on his tail, Lisa knows Rick can help them get out of the country. Pay particular attention to the part where Bogie sits down at the piano with Sam, the piano player. You will **NOT** hear Bogie say "Play it again, Sam". Contrary to popular belief, he never said that.*
