TOUR OF KENTUCK KNOB / BIKE RIDE

Kentuck Knob is a house designed by Frank Lloyd Wright to integrate into the beautiful landscape. It is located in the Laurel Highlands near Ohiopyle. The tour lasts 45 minutes. Afterwards you can explore the Woodland Trail, an unguided trail that features sculptures along the way. Bring a picnic lunch that we can enjoy later overlooking the falls at Ohiopyle. Make a day of it and bring your bike for a ride on the bike trail.
