<http://www.moonparks.org/parks/moon.asp>  
[http://www.moonparks.org/pdf/moonpark\\_map.pdf](http://www.moonparks.org/pdf/moonpark_map.pdf)

**Cost:** FREE

**Host:** Marilyn Mauro  
412-403-3365

Come out for a wonderful summer evening to watch the world-renowned Tamburitzans perform at Moon Park's "Friday Fun Night" event. The Tamburitzans are the longest-running multicultural song and dance company in the United States. Headquartered in Pittsburgh, the company's members are full-time students who receive scholarships for their activities. This free event is part of Moon Park's summer fun series – and the Park will have free popcorn on hand for those who attend. Bring lawn chairs, a snack, and something cold to drink – and enjoy great music and lively dancing with your Ski Club friends.

**A quick history on The TAMBURITZANS:** The Tamburitzans were created in 1937 by Dr. A. Lester Pierce, who brought his "Slavonic Tamburitza Orchestra" from St. Edward's University of Austin, Texas to Pittsburgh, Pennsylvania, where the group was well received by the region's diverse ethnic communities. Dr. Pierce negotiated an arrangement with Duquesne University, involving a work scholarship program, and the tradition of The Tamburitzans began. Over the years, The Tamburitzans have recorded albums and have toured extensively (sometimes internationally) performing music and dance mainly from Eastern Europe and its neighboring folk cultures.

### **Directions:**

From I-376 Business (going to/from old airport), take the Ewing Road exit. Turn onto Ewing Road and go approximately 1 mile passing through two red lights and crossing Beaver Grade Road. Turn right onto Joe DeNardo Way and go about 0.3 miles to Davidson Lane. Make a slight left onto Davidson Lane and go about 350 feet. The amphitheater will be on your left.
