RSVP if you plan to attend.

Join your PSC friends for some Bluegrass Music and/or Wine Tasting. There is no cover charge but Narcisi Winery simply asks that you make a purchase of wine or food while there to offset the cost of the performer. We plan to either meet on the patio (*all attending must be present to get a table*) or get one or two picnic tables (*no more than 12 people*) in the picnic area. If we get a picnic table, you can bring your own picnic from home, order take out from the restaurant, or pick up some snacks from the gift shop. However, no outside alcohol is permitted.

If you like, you can first go to the tasting bar and enjoy a complimentary 2 sample tasting of any available wine with the option of adding 4 more for \$5.
