Join your PSC friends at a unique venue which offers a high-tech driving range and swanky lounge with games. **For those not interesting in golfing**, we plan to just meet for drinks and food in the bar / lounge area. **For those interested in golfing**, a Bay (where you hit micro-chipped golf balls into giant targets in an outfield to score points) will be **reserved once we arrive. If you are interested in golfing, let Erick know before April 29 so that we can get a commitment for how many Bays we might need. Also let him know what time (6 or 6:30) you would prefer.** We can always add others on that day with no problem as most Bays are set aside for WALK-IN guests. Five or six people are needed for a Bay. A Bay must be paid for when the reservation is made and a Bay will be assigned once all participants who want to golf are present. New guests will also need to purchase a one-time \$5 membership. If by chance a Bay is not available, we may have to wait until one opens up. Reservations are on the hour and ½ hour. The hourly rate cost will be divided by the number of golfers (maximum of 6). **Again, anyone who wants to golf should let Erick know.** P.S. -- Golfing participants can either eat in the bar / lounge between 5:00 and 6:00 p.m. or can order food at the Bay and eat while they are golfing. Those eating and drinking in the bar / lounge area first will be required to pay for any food and drink prior to moving to the Bay.
