The Strand Theater in Zelenople is thrilled to bring back “Broadway Meets Motown” for an encore performance this coming July. The three shows in January were all sold-out!!! Barry Gordon founded Motown in 1960 in Detroit (‘motor’ + ‘town’) and brought soul to mainstream pop music with more than 180 hit songs! No other record company in history has exerted such an enormous influence on both the style and substance of popular music and culture. Expect a full slate of your favorite Motown hits during this exciting concert!

This encore performance will sell out fast, so best to text (during work hours) or call Marilyn ASAP to let her know if you’d like to attend ~ as we’ll have to order tickets very, very soon to ensure seats. We hope to have a sign-up coupon in the next PSC News.
