

ACTIVITY / HAPPY HOUR

Date: Saturday, October 3, 2020

Time: 11:00 a.m. for Geocaching
1:00 p.m. for Happy Hour

Location: Helicon Brewing
102 Union Avenue
Oakdale, PA 15071
724-693-4204
<http://heliconbrewing.com/>

Host: Janet Ball
412-215-9181
[email](#)

We plan to meet at Helicon Brewing and then go in search of some geocaches either by caravan or carpooling. First, we will go to the Oakdale Cemetery (which honors the victims of the Aetna Chemical Explosion) and then to Preservation Park. Depending on the interest and time, we can do a short hike in yet another park nearby called Boys Home Park. We then plan to return to Helicon Brewing for a beer, etc. and a hot dog.** **Helicon Brewing is situated right on the Panhandle Bike Trail** so anyone who wants to continue a day of adventure can also pack their bike and go for a ride before/after our meeting! **Those not interested in geocaching, can just come to Helicon at 1 pm to socialize.**

Geocaching is a hobby that uses a GPS to find items (containers) hidden in the woods – like a scavenger hunt. However, a GPS is not necessary to attend this hike. As you hike, Janet will explain how geocaching works and you will find several of the caches hidden.

****Helicon Brewing is now allowed to serve hot dogs to bring them in compliance with state guidelines to open for indoor and outdoor enjoyment of brews.** You must purchase a hot dog to purchase a draft beer. Hot dogs are \$2 each and 100% of the proceeds will be donated to the Oakdale Hose Company. Any hot dog purchased but not eaten will turn into a straight donation to the fire department.

Directions: From I-376 W, take exit 60 to US-22 W / US-30 W toward Weirton. Go approximately 1.5 miles and take the Oakdale exit. At the bottom of the exit make a left onto McKee Road. Follow McKee Road and PA-978 approximately 3.2 miles to Noblestown Road. Turn right onto Union Avenue and go approximately 0.1 miles. Turn right onto Center Avenue. Helicon Brewing will be on the right.
