This is co-ed volleyball open to all aged adults. We play for fun and are always looking for new members. Volleyball is hosted on the MeetUp website and ALL players are required to RSVP through that site ahead of time.

This volleyball is 2 courts. This is regular RECREATION level volleyball. Teams are made for the first 3 games, then people will be shuffled around for the last 3-4 games. We try to play pass, set spike. The person in the middle front is the setter. It is expected that players know basic volleyball rules and can consistently serve the ball over the net. You MUST be on the "Yes" list in order to come. If you are waitlisted, you are not able to attend unless MeetUp moves you to the "yes" list when other members change their reservation. You must RSVP to come. Please message Angela with any questions, etc. **Everyone must enter the gym with a mask and wear mask during play.**

NOTE: If you RSVP and don't show up you will be removed from the group after the second occurrence.

How to find us: Go into the SportsPlex and take the steps downstairs to the volleyball courts. Look for Angela.

Note: We had to stop playing at Brashear High School due to COVID. We have been playing at GreenTree SportsPlex a few nights a week since we had enough players, but they don't always have the same night of the week available.
