PSC Members Should Take Advantage of Council and Federation Membership Benefits

As a member of the Pittsburgh Ski Club, you are automatically a member of the Western Pennsylvania Ski Council and the National Ski Council Federation. The Western Pennsylvania Ski Council is composed of 17 ski clubs from central and western Pennsylvania and eastern Ohio. The WPSC sponsors and subsidizes ski events, ski instruction, racing and trips that are open to all Club Members; many at a reduced cost. The WPSC in turn, is a member Council of the National Ski Council Federation, which is a federation made up of 30 Ski councils across the country. It serves as a resource to councils and clubs in this ever changing industry and provides information and education for Council and Club officers. Also, since it is a large national organization, it can provide benefits and discounts to its member clubs and councils that wouldn't be available to a smaller group.

Since you are a member of the Pittsburgh Ski Club, you are a member of the WPSC and the NSCF and eligible for all benefits available to all members. Western PA Ski Council events and trips are published on our PSC website and in our monthly PSC News. Many events charge a nominal fee to attend. Weekly racing and gate training with instruction is available at little or no cost to anyone interested in learning to ski the gates. You can also get the information at the WPSC website at wpsc.net, or find out more about the other member clubs and other council information. There is also a link to the National Ski Council Federation (NSCF) from there or you can go to skifederation.org. Since you are a member of the NSCF, you can gain access to the MEMBERS ONLY section by logging on to their website. While, for obvious reasons, we can't print the logon credentials here, if you call Marlene Czarnecki or John Schaukowitch at (412) 563-3541 and identify yourself as a Pittsburgh Ski Club member, we will give you the website username and password. In this section, you will find discounts for various ski related offers that you might find to be of interest.

We encourage you to check out what the WPSC and the NSCF has to offer you today!
