This ski trip has not one, but two unbelievable mountains - Whistler and Blackcomb with over 8000 acres of skiable terrain. Located in the Coastal Mountains of BC, Whistler is approximately 72 miles from Vancouver.

Why choose this PSC trip? Here are just some of the things that make Whistler Blackcomb special:

- Greatest vertical/usable terrain for skiing/riding and other winter sports in North America.
- Consistently ranked in the top 5 for North American resorts
- Largest above tree line terrain and bowls in North America.
- Glacier skiing – the only resort in North America where you can ski or ride on a glacier.
- New!!! A peak-to-peak gondola transporting skiers between Whistler and Blackcomb
