Spend an incredible week exploring [Madonna di Campiglio \(IT\)](#), a discreet and elegant town nestling at an altitude of 5085 feet in the stupendous valley between the Brenta Dolomites and the glaciers of Adamello and Presanella. Many consider "Madonna" Italy's number one ski resort as well as one of the most intriguing resorts in the Alps.

With many varying degrees of difficulty, it is both "heaven" for intermediate skiers while offering some tremendous "off-piste" possibilities for the more advanced.. Today the Ski Area boasts 57 lifts with a capacity of more than 31,000 people per hour. What's more, you can set out from its pedestrian-only center of the town and return there without ever removing your skis.

[Hotel Ideal\\*\\*\\*\\*](#), Set in the center of Madonna di Campiglio, offers a great location for your week. There is free wired internet in the rooms and wireless in the public areas, and many feature a mountain-view balcony. At the spa, you can relax in the Finnish sauna, countercurrent pool and hot tub. Other facilities include sensory showers, and a Kneipp circuit and a hi-tech gym. Rooms at the Ideal have parquet or carpeted floors and a private bathroom with hairdryer and toiletries. Local specialties are served at the restaurant, which boasts an extensive wine list. A breakfast buffet is available each morning, with freshly baked cakes, cold meats and cheeses. In the winter, a heated ski room is provided. The hotel is located a short walk from the town center and the lifts in addition to offering a shuttle service to hotel guest. Ski equipment can be rented on site.
