Nestled in a unique mountain scenery, **Davos Klosters** is the highest town in Europe and also one of its largest winter sports areas. The ski resort offers varied slopes ranging from an altitude of 5,120 to 9,330 ft. There are numerous ski lifts taking skiers and snowboarders up to the mountain tops. The ski resort Davos is a winter sports metropolis and almost an eldorado for snowboard and downhill fans as well as Nordic skiers, ice sports enthusiasts and winter walkers. Five sledge (sled) runs of a length between 1.5 and 5.5 miles guarantee toboggan fun as well in this region. This town is conveniently located in the midst of several Resorts, Parsenn, Pischa, Rinerhorn, Jakobshorn and Klosters. A ski holiday in Davos has plenty to offer to night owls, too. There are many opportunities to go out: rustic mountain inns as well as restaurants, night clubs, hotel bars, a theatre, a concert hall and a casino.

**The Club Hotel\*\*\*** is situated at the calm and sunny end of Davos-Platz, close to centre of the city of Davos and also to the well-known mountain railway Jakobshorn. There is a bus stop directly in front of the house. The busses bring you to all the mountain railways within a few minutes. The hotel consists of 145 spacious double rooms with fold-away beds, with or without balcony. All rooms are with bath and equipped with hairdryer, TV, radio and telephone, safe and fridge. You will be able to enjoy the indoor swimming pool, sauna, massage services, squash courts, table tennis and an Internet corner (free of charge) as well as WLAN in the reception area. In our cozy restaurant we serve breakfast and dinner. A drink at our bar is the perfect way to round off an experienced day. Hotel is located conveniently to Jakobshorn lift and very accessible to Parsenn, Pischa, Rinerhorn and Klosters by way of the local town shuttle services.
