Let me tell you this is a BIG deal at a BIG place and if affordability and minimal crowds are on list, then Whitefish is a no-brainer. Once called the Big Mountain in northwestern Montana, Whitefish Mountain Resort offers spectacular views of Glacier National Park and Flathead National Forest. With an annual snowfall of 300 plus inches and 3000 acres of skier and rider accessible terrain, 11 lifts, two T-bars and one magic carpet offer access to 105 named trails and vast bowl and tree skiing. With a terrain rating of 12% beginner, 40% intermediate, 42% advanced and 6% expert, Whitefish can accommodate skiers and riders of all levels and abilities. Five terrains parks and a Skier/Boarder Cross course entertain the freestylers in any group.

Kandahar Lodge is a rustic, yet elegant lodge located at Whitefish Mountain Resort, 7 miles north of Whitefish and 32 miles from the west entrance of Glacier National Park. The Lodge has 50 rooms, a fully licensed Snug bar with over 350 wine labels and a gourmet restaurant that serves dinner only. A continental breakfast is included in the rates. The lovely lobby has a wood burning fireplace, free WIFI and comfortable couches and chairs. Other amenities include a large outdoor hot tub, steam room, exercise room and massage treatment room.
