Big Sky: Come ski the **Biggest Skiing in America!** Big Sky averages over 400 inches of snow on their 5,850 acres of skiable terrain. Known for their short lift lines, Big Sky has something for everyone, no matter what your ski level is. The resort offers stunning views and has expansive expert and advanced terrain, while including an extensive network of trails suited for the intermediate and beginner skier or snowboarder. The resort is the basecamp to Yellowstone National park and provides daily shuttles to Yellowstone's west entrance. The resort has everything one would expect from a modern ski resort including a variety of dining and shopping possibilities.
