Price \$1,950 per person for hotel accommodations at the Selkirk Lodge (Double Occupancy per hotel room)

Schweitzer Mountain: The largest ski area in the Inland Northwest with 2,900 acres of skiable terrain, Schweitzer Mountain Resort also boasts world-class amenities, ranking among the nation's top destination resorts, with plenty of accommodations, food and beverage options and the most amazing and expansive views of the surrounding mountains in the Cabinet and Selkirk ranges. And it is a quick 90 minutes from Spokane. Schweitzer's terrain, spread out over two massive bowls, offers pristine groomers, challenging steeps, and chutes and glades that would take weeks to fully explore. Most of the Schweitzer lifts are high-speed, offering a quicker load time that enables skiers and snowboarders to get in much more time on the slopes. New for last season was the addition of the Sky House, a full-service mountaintop lodge offering panoramic views and delicious food and drink options, keeping you going for a full day on the slopes.

Selkirk Lodge: (<https://www.schweitzer.com/plan/selkirk-lodge?resultfiltervalue=S#/room>): The cozy and convenient (SKI IN/SKI OUT) lodge is in the heart of Schweitzer Village. The Selkirk Lodge is reminiscent of a European style while maintaining a rustic Idaho charm. Two queen-sized beds or one king, a dresser, full bathroom, TV and DVD player, with basic amenities of a coffee pot, hair dryer, iron and board. An inviting lobby is the perfect place to relax, featuring an alpine lodge décor and fireplace. Amenities include a year-round swimming pool, 3 spa tubs, fitness center and movie theater. Enjoy dining at one of 2 onsite restaurants and relax with a drink at the bar/lounge.
