**Steamboat Resort:** Skiing Steamboat on a powder day is a bucket-list experience: Forgiving pitches complement this mountain's ultra light snow, and perfectly-spaced aspens and spruces glitter with hoarfrost. The area's other claim to fame is its plethora of intermediate groomed runs. The base area and village have dining, activities and more. The town has a character all its own. The locals are the friendliest around and the cowboy spirit gives the town its character.

**Ptarmigan Inn:** ([www.theptarmigan.com](http://www.theptarmigan.com)): A true Steamboat original, Ptarmigan is your ski-in ski-out base camp for adventure. Get cozy with your friends at the outdoor pool and patio that is a social spot all year long. You can unwind from a day of great skiing or start the evening in the lobby living room.
